REQUEST FOR RECONSIDERATION OF PETITION UNDER 37 CFR 1.47(a)

This is in response to the Decision Refusing Status Under 37 CFR 1.47(a) ("Decision"), mailed July 18, 2002 and having a two-month period for reply set to expire on September 18, 2002.

According to the Decision, Applicants' petition filed under 37 CFR 1.47(a), mailed April 8, 2002, was dismissed as lacking proof that the non-signing inventor cannot be reached or located, notwithstanding diligent effort, or refuses to sign the oath or declaration after having been presented with the application papers (specification, claims and drawings) ("item (1)"), and as lacking an acceptable oath or declaration in compliance with 35 U.S.C. 115 and 116 ("item (2)").

In regards to item (1), Applicants' assert that proof that a copy of the application papers (specification, including claims, drawings, if any, and the declaration) were sent or given to the non-signing inventor for review is shown by an enclosed copy of the cover letter transmitting the application papers to the non-signing inventor.

In addition, since the refusal by the non-signing inventor was made orally to Mr. Girma Wolde-Michael, an Affidavit to that effect signed by Mr. Girma Wolde-Michael is enclosed herein.

In regards to item (2), a new declaration in compliance with 37 CFR 1.63 and 1.67, signed by all of the signing inventors on behalf of themselves and the non-signing inventor, is submitted herein.

Accordingly, it is respectfully requested that the petition be granted.

The Commissioner is hereby authorized to charge the petition fee of \$130.00 and any fee deficiencies to deposit account number 13-2546.

Respectfully submitted,

AFFIDAVIT OF GIRMA WOLDE-MICHAEL

I, Girma Wolde-Michael declare as follows:

I am the patent attorney of record for the above-identified U.S. patent application entitled SYSTEM FOR PROVIDING ELECTRICAL STIMULATION TO A LEFT CHAMBER OF A HEART.

Mr. Joe Perttu is no longer a Medtronic, Inc. employee. On or about January 22, 2002, I contacted Mr. Joe Perttu to execute an Assignment of the invention to Medtronic, Inc. Mr. Joe Perttu has orally and unequivocally refused to execute the application papers. Subsequent communications with Mr. Perttu were unsuccessful because Mr. Perttu elected not to talk to me.

Attached herewith please find a copy of the letter sent to Mr. Joe Perttu on January 22, 2002, asking for him to review the application and execute the Assignment and Combined Declaration/Power of Attorney papers.

Because of the lack of cooperation on the part of Mr. Joe Perttu to execute the Assignment and Combined Declaration/Power of Attorney papers, and because of Medtronic's proprietary interest in the matter, his defying action under 37 C.F.R. §1.47, and because such action is necessary to preserve the rights of Medtronic, Inc. and to prevent irreparable damage otherwise, the Commissioner

is respectfully requested to grant agency to Medtronic, Inc. for Roger Dahl, Thomas M. Soukup, Arnold Thornton, Elisabeth L. Belden and John L. Sommer.

A bonafide attempt has been made to comply with the provisions of 37 C.F.R. §1.47. The statements and declarations made are deemed acceptable under 37 C.F.R. §1.47, and the Commissioner is requested to deem the Assignment and the required papers sufficient in compliance with the applicable regulations.

Respectfully submitted,
